Parameter

- Audio-, vibrator- and LED signalling
- 2 color LED (indicates incoming / missed Call)
- 10 polyphonic ringtones
- Auto answer support

- 1,8" illuminated TFT- Color-Display
- Intuitive graphical user interface

- Caller indication (standard)
- 3 separate Calls Lists (missed / incoming / outgoing), Saving caller indication (CLIP/CNIP)
- Phone book, 50 entries
- Up to 3 numbers per contact
- 4 languages
- Handset status

- Illuminated key pad
- 12 alphanumeric keys
- 4 way navigation key
- 2 function keys

- 2 soft keys
- Key pad lock

- PBX functionality
- Up to 8 digits PIN code registration
- PARK registration
- Seamless handover
- Handover Mobility settings
- Roaming
- Line access prefix setting

- Batteries: 2 x AAA (NiMH), 600 mAh
- Standby time: up to 93hours
- Talk time: up to 5hours
- Battery indication (display, audio)

- Desk charger 5V, 0,2A
- Power supply 100-240V AC, 50/60Hz
- Charging time: ca. 3h
- Charging indication (display, audio)

- Operating conditions: 0°C to +45°C

- Cabinet material: ABS plastics
- Cabinets color: black
- HS dim.: 145 * 46 * 26mm (HxWxD)
- HS weight: 96g (incl. Batteries)
- Charger dim.: 53 * 86 * 100mm
- Charger weight: 75g (w/o PS)
